

# Savanna Lea Anschutz

---

Pharm.D. 2019

1304 Pershing Street, Salina, KS 67401 ◇ (316) 655-2819 ◇ savanna@bkrx.com

---

I have accepted a pharmacist position developing important relationships with patients providing excellent care and attention to their health. Through coursework, school organizations, and community involvement my passion has continued to grow. I have witnessed love and commitment within the field of pharmacy and the importance it brings to patients. I plan to be an active member in my community and to become a trusted healthcare professional throughout my career.

---
