**Why are you applying (or nominating this person) for this position?**

My passion for pharmacy is deeply rooted and I have spent my career working to progress and expand the profession. We have made incredible strides through the leadership of KPhA and I plan to continue that momentum and be a voice for our independent pharmacists.

**What interests do you (or the nominee) have outside of KPhA (other organizations, community, family, etc.)?**

I love spending time with my wife and two boys. We are an active family and enjoy sports and outdoor events. As a food lover, I very much enjoy trying new restaurants and foods!

**What goals do you (or the nominee) have personally?**

My goals, both personally and professionally, are pretty simple. I strive to continue improving, learning and accomplishing.

**Discuss a time when you (or the nominee) worked in a collaborative/team-based environment:**

As a pharmacist I've encountered countless opportunities to work in a collaborative environment from working as consultant pharmacist in long term care to developing 340B specialty contracts. The most recent example of team-based work was participating in the KPhA Tele-pharmacy task force. This area was new and challenging and the experience introduced me to some fantastic minds in our field. I was able to learn and contribute to a division of our profession that can be very impactful in our communities. While the team didn't always share the same views it was through collaboration and having common goals that prevailed.

**The KPhA Board meets quarterly from 9 a.m. to 4 p.m. at our offices in Topeka. Would you (or the nominee) be available to attend the meetings in person or via teleconference?**

Yes
