Why are you applying (or nominating this person) for this position?

I want to be able to give back to the Kansas Pharmacy community. I have a career that spans 30 years and it is time to share some of those experiences.

What interests do you (or the nominee) have outside of KPhA (other organizations, community, family, etc.)?

I am a family first person, active in church activities and we love doing things outside.

What goals do you (or the nominee) have personally?

I want to provide the best possible work environment for Kansas Pharmacists, while promoting ethical, professional care.

Discuss a time when you (or the nominee) worked in a collaborative/team-based environment:

I am able to collaborate every day in my current practice setting. I work in a team with prescribers, nurses, and social workers in a closed door pharmacy that relies very heavily on a high-touch, labor intensive model.

The KPhA Board meets quarterly from 9 a.m. to 4 p.m. at our offices in Topeka. Would you (or the nominee) be available to attend the meetings in person or via teleconference?

Yes

Please provide any other comments or questions you may have about this position.

Thank you for even considering me for this opportunity!
